

# DESIGNER JUNIOR

I'm seeking for a position as a junior,  
within a part of the **creative industry**  
and the **advising field**.

## Recent events

### Abroad exploration Curiosity and creativity openness

December 2024

(Kyrgyzstan, Kazakhstan, China, Malaysia)  
Taking extra months inside foreign foster care.  
Learning Asian cultures, family ties and rituals: 'Jilik'.  
Sharing knowledgeable point of views.  
Making strong connections in the art field.

### Honorable mention LiT product design competition

December 2024, France

I invented a living room light with an adjustable lit.  
Mixing the ready made artist Marcel Duchamp  
and the instrumental universe. From roughs  
to its sustainability and circular choices.

### Toeic obtention Master's degree validation

2024, Scoring: 845
